NON-DAIRY CREAMER

Non-dairy creamer is an excellent substitute for milk or cream as an additive to coffee, tea or other beverages. It is lactose-free, dissolves instantly in any hot beverage and enhances your cup of coffee or tea by giving it a rich, smooth and creamier taste. Besides being used with beverages, it is also a popular ingredient in bakery, confectionery and ice-cream industries.

كريمة مبيضة خالية من الحليب

Crémier non laitier
